

6TH GRADE CURRICULUM

BIBLE

Textbook: Christ and My Life (Association of Christian Schools International)

1. God Has A Plan
Review basic facts of Old Testament. How the plan and purpose of God moved ahead throughout history. Creation to new heavens and earth is part of God's plan.
2. Materialism
Overview of Mathew's gospel. Recognize the lure of materialism. Desire to make biblical choices about money.
3. Success
The difference between worldly success and Biblical success. True success means following Christ. Many Christians around the world suffer for their faith. Willingness to put others first.
4. Relationships
Review the book of Luke with focus on relationships. Apply Biblical principles to choices and relationships.
5. The Holy Spirit
Being a witness. The Holy Spirit's power is available to all believers. The different works of the Holy Spirit. Review book of John.
6. Romans
All people have had an opportunity to know God. All creation testifies to the existence of the Creator. People are without excuse for not recognizing God.
7. Unity
The equipping of the saints through spiritual gifts are effective. Christians must use their gifts in cooperation with others to make the Church productive.
8. Love
Without love none of the spiritual gifts are effective. Define three kinds of love. Practice brotherly love at school and home.
9. Galatians
Laws of sowing and reaping. The relationship between what is sown, the amount that is sown, the kinds of soil and the harvest that is reaped.

10. Ephesians

Believers are expected to mature in Christ the same way we mature physically and emotionally. Maturing in Christ is a result of the Holy Spirit producing His fruit in our lives as we submit to The Word of God.

11. Forgiveness and Restoration

A look at the book of Philemon. Forgiveness is a basic principle of Christianity. Forgiveness comes when the heart repents. Recognizing that in forgiving someone else, they are set free.

12. God's Gift of Life

All life is a gift from God. Life begins in the womb. Be equipped to defend a Christian's pro-life stand.
