SPELLING/VOCABULARY

Textbook: Vocabulary Workshop – Level B (Sadlier-Oxford)

The primary objectives of this spelling and vocabulary text are to teach the spelling and meaning of words through the study of roots, prefixes, suffixes and spelling rules. This will help students learn to use those words correctly in their spoken and written language. By reviewing commonly misspelled words and including about twenty words with definitions, each lesson is designed to help the student master the skill of spelling and increase his or her vocabulary.

MATH
