

Dear Parent,

In keeping with New Jersey's child care center licensing requirements, we are obliged to provide you, as the parent of a child enrolled at our center, with this informational statement.

The statement highlights, among other things: your right to visit and observe our center at any time without having to secure prior permission; the center's obligation of all citizens to report suspected child abuse/neglect/exploitation to the State's Division of Youth and Family Services (DYFS).

Please read this statement carefully and, if you have any questions, feel free to contact me at (973) 694-3584.

Sincerely,

Linda Cannon  
Preschool Director

Under provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 10:1222), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center may comply with this requirement: 1) by reproducing and distributing to parents this written statement, prepared by the Bureau of Licensing in the Division of Youth and Family Services (DYFS); or 2) by incorporating the required information in its own handbooks, brochures or other informational materials. In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information.

.. .. .

Our center is required by the State Child Care Center Licensing Law to be licensed by the Bureau of Licensing of the New Jersey Division of Youth and Family Services. A copy of our current license must be posted in a prominent location at our center. Look for it when you are in the center. To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements and make it available to interested parents for review. If you would like to review a copy, just ask any staff member. Parents may secure a copy of the Manual of Requirements for Child Care Centers, for a nominal fee, by writing to the Bureau of Licensing, Division of Youth and Family Services, CN 717, Trenton, New Jersey 08625-0717, telephone (609) 292-1021 or (609) 292-9220.

We encourage parents to discuss with us any questions or concerns about the policies and programs of the center or the meaning, application or alleged violations of the Manual of Requirements. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing standards, you are entitled to report them to the Bureau of Licensing. Of course, we would appreciate you bringing these concerns to our attention too.

Our center must have a policy concerning the release of children to parents or people authorized by parent(s) to be responsible for the child. Please discuss with us your plans for your child's departure from the center. Our center must have a policy about dispensing medicine and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Parents are entitled to review the center's copy of the Bureau of Licensing's Inspection/Violation Reports on the center, which are issued after every state licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Bureau's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review. Our center must cooperate with all DYFS inspections/investigations. DYFS staff may interview both staff members and children.

Our center must post its written statement of philosophy of child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any question you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the Bureau for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available. Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents. Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the Division of Youth and Family Services' Office of Child Abuse Control, Toll-Free at (800) 792-8610, or to any District Office. Such reports may be made anonymously.

Parents may secure information about child abuse and neglect by contacting: Community Education Office, Division of Youth and Family Services, CN 717, Trenton, New Jersey 08625-0717.
