

Preschool

Children from 6 months to 4 years old learn interactively through a Christ-centered, hands-on, developmentally appropriate curriculum. In addition to Bible stories, prayer and worship, the daily schedule includes computer, science, math and art activities through dramatic play and learning centers. Children are also well prepared for Kindergarten with pre-reading skills.

Kindergarten

Our comprehensive full day Kindergarten program addresses the social, emotional, spiritual, and intellectual development of each student. With manipulatives and a hands-on approach, students learn writing, reading, math, science and Bible. The Kindergarten program is further enhanced with a strong phonics curriculum, active learning experiences, computer and library skills, art and class trips. At Calvary Christian Academy, learning is fun!

Grades 1-5

The keynote of Calvary Christian Academy is academic excellence. Teachers use technology, critical thinking, cooperative and hands-on approaches with a full academic program, including math, science, reading, spelling and social studies. A Christ-centered perspective is integrated in all content areas. Computer, art, music, foreign language, physical education, field trips and academic competitions bring variety and creativity to the school day.

Grades 6-8

Junior High students are challenged and equipped to meet and exceed expectations associated with their academic level. To enhance the curriculum, activities such as Student Council, basketball, cheerleading, yearbook committee, and a three-day trip to Spruce Lake create a memorable Junior High experience. Our hope is that graduates of CCA will be caring Christians and concerned citizens, who demonstrate their faith in thought, word and deed wherever God may lead them.

Mission Statement

The mission of Calvary Christian Academy and Happy Day Child Care Center is to educate students to realize their God-given potential with academic excellence, within a Christian framework. In partnership with parents, we seek to develop Christian character in a loving, nurturing environment.

Caring Teachers. . .

In a world where positive role models are hard to find, our dedicated staff set a godly example of Christian character and conduct, providing a warm, nurturing environment in which children can flourish. Our teachers are certified and grow professionally through on-going training and development.

“Train up a child in the way he should go and when he is old, he will not depart from it.” – Proverbs 22:6
