

SAVE MONEY ON YOUR SCHOOL TUITION!

Do you purchase groceries, clothes, gifts, home goods or gas?

Do you enjoy eating out?

If you answered "YES"...

THE SCRIP PROGRAM IS FOR YOU!

What is Scrip?

"Scrip" is substitute money or prepaid gift cards that are used just like cash. You can use scrip to purchase everyday items such as food, clothing, home goods, gas... You can use them when dining out, or give them as gifts.

Where Can I Use Scrip?

There are currently over 100 restaurants, grocery stores, and gas stations locally... and over 500 nationally known retailers that offer scrip.

How Does the Program Work?

Using the free on-line scrip management program "ShopWithScrip.com", registered families can place scrip orders from the convenience of their home any time. Our school office will gather all orders on-line, and upon receipt of payment, each Monday will release the order to Great Lakes Scrip Center. The order will be available for pick-up in the school office each Thursday. This program generates full report history for individual families and our school.

What about the BENEFITS?

The best part of this program is that it benefits both the school and YOU! The possibilities are endless...

Since our school is able to participate in this program, we are able to purchase these gift cards at a discounted price. On the order form, a discount level is indicated next to every merchant. The discount is what our school receives in total profit from the Scrip purchase. We will then return half of the profit to the person placing the order, which will be directly applied toward their tuition. Earned credit will appear on monthly tuition statements. Additionally, family and friends may purchase cards and designate the credit to your account. Manual orders with payment may also be placed.

When can I start earning credit?

You may begin earning credit now! Our first order will be placed on September 10th and each Monday thereafter. Order forms and enrollment cards are available in the office.
